

**ECNR European Congress  
of NeuroRehabilitation 2019**

*Budapest*

9–12 October 2019  
Budapest

*Save the Date*

**Impairment, disability, handicap:**  
So little done, so much to do

[www.ecnr-congress.org](http://www.ecnr-congress.org)

## Congress Presidents

László Vécsei

University of Szeged | Department of Neurology

László Csiba

University of Debrecen | Department of Neurology

**ECNR2019**

*Budapest*

## EFNR Executive Board | Core Organising Committee

D. Muresanu (Romania)

V. Hömberg (Germany)

L. Saltuari (Austria)

G. Sandrini (Italy)

H. Binder (Austria)

K. Diserens (Switzerland)

## Presidents of Affiliated National Societies | Programme Committee

V. Golyk (Ukraine)

C. Kaetterer (Switzerland)

G. Kwakkel (Netherlands)

T. Mokrusch (Germany)

D. Muresanu (Romania)

W. Oder (Austria)

C. Pistarini (Italy)

D. Playford (Great Britain)

## Key Topics

- From ICU back home – a coherent stream of neurorehabilitation
- Impairment vs. compensation oriented approaches in stroke – when to switch
- New vistas for education in neurorehabilitation in Europe
- How much can patients do themselves – self training to augment efficacy
- The enigma of “proportional recovery” – impact for neurorehabilitation
- New concepts for integration of nursing and therapy
- Innovative strategies for neurorehabilitation trials
- Which innovative technologies do we need
- Virtual reality and serious games – useful or not
- New horizons in translational neurology – from lab to bedside and beyond
- New drugs for improving impairment on the horizon?
- The rationales of cognitive training strategies
- Learned non use in dysphagia
- Impairment oriented training in perception
- Is mild TBI a useful concept?
- Advances in pediatric neurorehabilitation
- Better use of IT tools
- What do we really mean by “participation” – Is ICF a valid instrument?
- From randomised trials to personalised medicine in neurorehabilitation
- Smart and healthy living at home – a role for ICT
- Impact of neurosensorial approach on recovery of cerebral connectivity
- SIG meeting for the early mobilisation

## Sponsorship & Industrial Exhibition

The congress will offer multiple opportunities to present your company in industrial symposia as well as exhibitor. Interested companies may contact Conventus.

## Professional Congress Organiser

Conventus Congressmanagement & Marketing GmbH
