

To: ESO Organisational Members - National Stroke Societies

18 December 2018

Dear Colleagues,

We wish to invite you and your society's members to join us to attend the **European Stroke Organisation Conference (ESOC) 2019**, which will take place in Milan, Italy on 22 - 24 May 2019. Please visit our conference website [here](#) for registration or any updates.

We invite you to share this important information with the members of your society and other national colleagues involved in stroke care and research and are looking forward to welcoming you and your members to ESOC 2019.

ESOC 2019 will build on the enormous success of the last four ESO Conferences and continues to be Europe's foremost forum for discussing and disseminating the latest standards and news on stroke management and care.

It is our pleasure to inform you that you have the **opportunity to present your national stroke organisation at ESOC 2019 at a booth** in the exhibition area. ESO is offering up to six booths at no cost on a "first-come-first-serve basis". Please submit your interest and contact details as soon as possible to our Head Office at: daniela.niederfeld@eso-stroke.org

Cost-free booths* are limited to six. You will be informed as soon as your application has been accepted. You will then also receive further information. **Please note, that all booths are required to be manned during the exhibition hours.**

If you wish to display material, flyers or to put up a banner, we can also accommodate you.

We hope to see you in Milan in 2019!

Yours sincerely,

Bart van der Worp
ESO President

Urs Fischer
ESO Secretary General

Executive Committee

President:
Bart van der Worp
(Utrecht, Netherlands)
